

RESETTING PASSWORD IN CM/ECF

- Resetting your password in the CM/ECF system has never been easier. If you are unable to remember or locate your password for the LIVE or TRAIN systems in ECF, you can reset your password online. To reset your password, go to the court's web page (www.flnb.uscourts.gov) and click on the "Online Filing" tab. Next, click on the link which reads "CM/ECF Password Reset Request."

- A password recovery screen will appear with instructions on how to reset your password. You can choose to reset your password for either the LIVE or TRAIN systems. Simply follow the on-screen instructions. Please note that you will only be able to reset your password for the CM/ECF system in the Northern District of Florida and will not be able to alter your password with other court's ECF system or the PACER system.

CM/ECF Password Recovery	
<p>Instructions</p> <p>If you received a message upon logging into CM/ECF which says your account is locked, please contact the FLNB ECF Helpdesk for further assistance or complete the CM/ECF Account Unlock Request Form on our website. This password reset program will not reactivate your account.</p> <p>Note: This form will not reset your PACER passwords. To reset a PACER account, click here.</p> <p>To reactivate an account which was temporarily disabled due to a maximum number of invalid attempts to login or if you have forgotten your CM/ECF password, enter the information requested in the form presented to the right.</p> <p>This request will send an email to the primary email address of the CM/ECF account. Once received, open the email and click the link provided. Follow the onscreen instructions to reset your password.</p> <p>NOTE: This will only reset your password with Florida Northern Bankruptcy. It WILL NOT change your password for CM/ECF systems with other Courts.</p> <p>WARNING: Password recovery is for the use of existing account holders only. Activity of this web site is closely monitored by IT staff.</p>	<p>Account Information</p> <p>Florida Northern Bankruptcy: CM/ECF Login Name <input type="text"/></p> <p>CM/ECF Application To Reset: LIVE: <input checked="" type="radio"/> TRAIN: <input type="radio"/></p> <p><input type="button" value="Submit Reset Request"/></p>
