Case No. _____
Chapter: _____

DECLARATION AND CONSENT TO ELECTRONIC NOTICE AND SERVICE BY CM/ECF

I, _____, am an unrepresented debtor in the above-captioned bankruptcy case. I voluntarily agree and consent to receive notices and service of documents electronically through the Court's Case Management/Electronic Case Filing System (CM/ECF). By signing, I acknowledge and agree to the following:

1. **Consent to Electronic Notice and Service.** I voluntarily consent to receive CM/ECF Notices of Electronic Filing (NEFs) emails. I understand NEF emails may contain links to orders, notices, and other papers filed in my bankruptcy case or adversary proceeding in which I may be a party, to the extent permitted by applicable law. This consent does not replace or waive any service requirements under Federal Rule of Bankruptcy Procedure 7004 or any other applicable law or court order requiring a different method of service.
2. **Waiver of Paper Notice and Service.** I voluntarily waive my right to receive notices and documents by U.S. Mail or other non-electronic means when electronic notice or service through CM/ECF is authorized by applicable law. This waiver includes notice of the entry of orders and judgments under Federal Rule of Bankruptcy Procedure 9022. This waiver does not apply when another method of service is required by law or court order.
3. **Court's Authority to Terminate Electronic Notice and Service.** The Court reserves the right, at its sole discretion, to suspend or terminate my electronic noticing and service privileges at any time, with or without prior notice, and to require that future notices and service be provided by U.S. Mail or other means by law.
4. **Joint cases.** In a jointly filed bankruptcy case, I understand that each debtor must separately complete, sign, and file a Declaration and Consent to Electronic Notice and

Service. Consent by one debtor does not constitute consent on behalf of the joint debtor. If either debtor fails to provide the required declaration, that debtor will continue to receive notices and service by U.S. Mail or other authorized means and will not be eligible for electronic notice and service through CM/ECF until a properly executed declaration is filed using their own PACER-linked filing account.

5. Initiation of Electronic Notice and Service. I understand that electronic noticing and service will begin at the time of filing this document electronically using my PACER-linked filing account unless the court orders otherwise.
6. Responsibility to Monitor Notices. I understand that I am responsible for regularly checking my designated email account, reviewing NEFs, and accessing documents filed in my case. Failure to read an electronic notice does not extend a deadline or excuse compliance with a court order.
7. Maintaining Current Contact Information. I agree to maintain a valid email address associated with my CM/ECF account. I understand I am responsible for keeping my PACER account updated. I also understand that I must notify the Court in writing of any change to my email, phone number, or mailing address.
